

CEKOCIDE

"The True Chemical Sterilant"

Cekocide is a highly active virucidal disinfectant based on % potentiated peroxygen compounds and surfactants. It kills pathogens upon contact by cell wall destruction through the process of oxidation.

FEATURES:

- Effectively controls virus, bacteria, fungi, yeasts and molds
- Kills bacteria in the presence of high organic matter at dilutions as low as 1:750
- No resistance build-up because of its unique oxidizing property
- Readily biodegradable into naturally occurring compounds
- 100% biodegradable into salt and water
- 70,000 ppm more potent than ordinary chlorine-based bleach
- Low Toxicity (LD50 Rat > 3000 mg/L)
- Stable
- Well-suited for medical, agricultural, domestic and municipal applications
- Suitable for mechanical use like aerial spray systems
- Formulated for manual use
- Effective as a water sanitizer

DILUTION RATE (DEFRA-approved dilutions):

General viral control	1: 100
General bacterial control	1: 100 - 1000
Aerial disinfection**	1: 200 - 300
Water sanitation	1: 500
Continuous water sanitation	1: 1100

General Orders	1: 160	Swine Vesicular Disease	1: 250
Gumboro Disease	1: 250	New Castle Disease	1: 400
Foot and Mouth Disease	1: 1300	Infectious Canine Hepatitis	1: 100
Kennel Cough	1: 100	Swine Parvovirus	1: 50
Canine Parvovirus	1: 50		

** 100 ml of solution can effectively aerial disinfect 1 cu. meter area

** 300 ml of solution can effectively disinfect 1 sq. meter area

HANDLING AND STORAGE PRECAUTIONS:

- Keep out of children's reach.
- Keep all disinfectants away from food, feedstuff and other chemicals.
- Avoid direct skin contact with pure Cekocide.
- Use of protective goggles and gloves is recommended.
- Corrosive in pure form but diluted product is generally safe to handle.
- Store in original container protected from direct sunlight, heat and moisture.
- Store at 4° C to 35° C.
- Keep lid tightly closed.
- Do not reuse containers.

** In case of accidents, flush eyes with running water and wash skin with soap and water.

** If irritation persists, seek medical advice.

PACKAGING: 5 x 1 kilo, 1 kilo canister

* Cekocide is also known as Hemexol Virucidal Powder.

* Cekocide is a product of Heaton (Export & Marketing) Limited, UK.
